BANGARAM
ISLAND

IHCL SELEQTIONS

A hidden tropical haven in the heart of the Arabian Sea, Bangaram Island is a rare jewel in India's Lakshadweep archipelago. Stretching 4.8 kilometres, this untouched island is fringed by powder-soft white sands, gently swaying palms, and waters of dazzling turquoise. Encircled by thriving coral reefs rich with exotic marine life, it is a snorkeller's paradise. With its pristine beauty and tranquil atmosphere, Bangaram Island offers an extraordinary sense of solitude and serenity.
